CHARACTER AND LEADERSHIP DEVELOPMENT

Character and Leadership Development (CLD) classes offer:

- Student engagement and physical fitness for middle school and high school students.
- University of California A-G elective approved credits.
- Physical education (PE) or general elective credits toward graduation requirements.
- Opportunity to become a member of the Leadership Group as part of the California Cadet Corps, developing students into leaders since 1911.

Our CLD students are kind, caring, and respectful. They develop skills to become leaders and pursue opportunities for their future.

Our rotating instruction includes one week inside to review CACC curriculum and one week outside for team-building and physical exercises. Attend **10 weeks** of classes to earn a PE or elective credit.

Fall semester: September 13, 2021 – November 15, 2021

Spring semester: January 10, 2022 – March 14, 2022
