By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

About Our School

Altus Schools Charter School of San Diego (CSSD) is an innovative, role model public school that dares to make a significant difference in the lives of students in grades 6 through 12. Offering an option to traditional schools, CSSD has innovated a different way of managing educational systems, both in instruction and operations. We serve as a role model because of five factors:

- **We transform the lives of students who are “at risk” in the educational system – taking many from failure to college bound.**
- **We run CSSD with strategic initiatives, action plans and the ability to set and measure results.**
- **We are innovative, responsive, and agile.**
- **We hold teachers accountable for students’ learning and success.**
- **We are a successful prototype for educational reform.**

This futuristic public school is designed for students in grades 6-12 who seek an alternative to the traditional approach to education. Independent study is the primary method of instruction, along with online courses, guest speakers, tutoring, and field trips to provide skills development and enrichment in the core curriculum.

Students can enroll in Altus Schools Charter School of San Diego with parent request any day throughout the year.

Student options include returning to comprehensive schools, earning a High School diploma, passing the California High School Proficiency Exam (CHSPE), passing the GED, or passing the High School Equivalency Test (HiSET). Each

student receives a Pathways Personalized Education Plan supported through an extensive group of partnerships and alliances which provide services such as job development, pre-employment training, health maintenance, case-management, social and personal services, and tutoring.

Please Note: Altus Schools Charter School of San Diego is a DASS school (Dashboard Alternative School Status) which uses modified methods of measurement for indicators that are aligned with the evaluation rubrics of the Local Control Funding Formula (LCFF) to evaluate the success or progress of schools that serve high-risk students. To be eligible for DASS, schools must have an unduplicated count of at least seventy percent of the school's total enrollment comprised of high risk student groups including: Expelled, Suspended, Wards of the Court, Pregnant and/or Parenting, Recovered Dropouts, Habitually Truant, Retained more than once in kindergarten through grade eight, students who are credit deficient, students with a gap in enrollment, students with a high level of transiency, Foster Youth, and Homeless Youth. As an alternative option, students enroll with CSSD to address credit deficiencies before returning to a traditional school or may choose to complete the GED or HiSET, which are not factored into the four-year cohort graduation rate.

School Description and Mission Statement (School Year 2023–24)

The Vision

The educational community known as Altus Schools Charter School of San Diego (CSSD) is committed to the development of a personalized instructional program that demonstrates positive outcomes for each student. Altus Schools Charter School of San Diego is dedicated to the creation of instructional, service, organizational, and governance models that can serve as prototypes for educational reform. Altus Schools Charter School of San Diego is committed to collaborative efforts to improve the quality of life for students, their families, and the community it serves.

The Mission

Altus Schools Charter School of San Diego will implement personalized educational programs to facilitate student achievement. These educational programs will demonstrate that standards-based educational reform can provide a prototype for changing the way teachers teach and students learn in the future.

Basic Values

- Kids come first.
- Education at CSSD is personalized, individualized, and high quality.
- CSSD is made up of a community of highly professional people. These committed individuals are independent, self-motivated, high-energy people who speak for themselves. They work to create a positive, challenging environment that is centered on teaching and learning.
- CSSD uses business principles in managing the school.
- CSSD is committed to the creation of educational reform models centered on how effective educational organizations run, how teachers teach, and students learn.
- CSSD employees are accountable for their work.
- People-centered teams focus on supporting quality teaching and learning. Performance is measured on a variety of indicators that include productivity, credit ratio, auditability, quality, performance, and commitment to the vision of CSSD.
- CSSD is committed to the improvement of the quality of life for students, their families, and the community it serves.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven taking and completed state-
administered assessment
Percentage of Students Meeting or Exceeding the State Standard

The Charter School of San Diego is designated by the state as a Dashboard Alternative School Status (previously ASAM) school. DASS schools have at least 70% of the school's total enrollment comprised of groups that are at high risk of dropping out of school. These groups include students who are suspended, expelled, wards of the court, pregnant/parenting, recovered dropouts, and/or habitually truant.

Subject	School 2021– 22	School 2022– 23	District 2021– 22	District 2022– 23	State 2021– 22	State 2022– 23

Mathematics (grades 3-8 and 11)	17%	13%	39%	40%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Career Technical Education (CTE) Programs (School Year 2022–23)

Career Technical Education (CTE) opportunities vary according to the students' goals. Student strengths, interests and values are discussed with the student and parents and become part of the Pathways Personalized Educational Plan (PPEP). CSSD offers more than 50 CTE courses and 11 Career Pathways in either an independent study or online environments. 44 of those courses are UC A-G approved college prep electives. 9 of the CTE Pathways courses are articulated with a community college for college credit. All CTE courses are aligned to the CTE Model Curriculum Frameworks with embedded CCSS for College and Career Ready Readiness. Eleventh and twelfth grade students research career paths and post-secondary career options to compile an electronic portfolio as part of a required senior course called "Pathways Exhibition" which leads to a Workforce Readiness Certificate that had been developed with the City of San Diego. Counselors, teachers, career resource speakers, administrators and parents provide assistance in the educational and career decision making process. Because of the flexibility in this school's schedule, students are able to work while traditional schools are in session, which broadens the range of job opportunities and work-based learning available. The school allows students the freedom to participate in community events and encourages them to volunteer. In order to broaden their experience and prepare students for the transition from school to career, students who remain at The Charter School of San Diego until graduation are required to earn two credits in a specified CTE course, Service Learning, or in our state approved General Work Experience Education (WEE) courses. In this way, students have the chance to experience the world outside school as either volunteers or while learning a career skill on their path to becoming College and Career Ready.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

Parents become involved in their children's education at Altus Schools Charter School of San Diego from the beginning. Parents are a part of the initial meeting with the teacher when they learn school requirements. Together with the student, they develop each student's unique Pathways Personalized Educational Plan (PPEP). Parents are encouraged to call and make appointments at any time; parents are involved in their child's education on a daily/weekly basis. Parents are encouraged to give feedback through the annual LCAP parent survey, open

houses, senior exit orientation meetings, master agreement signings, board meetings, and graduation.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Please Note: The Charter School of San Diego is a DASS school. As an alternative option, many students enroll with CSSD to address credit deficiencies before returning to a traditional school or deciding to stay with CSSD to complete their coursework. Often these students are not on track to graduate with their four-year cohort.

Professional Development

The Charter School of San Diego offers its workforce a comprehensive professional development system. The system is based on student achievement data, California state mandates, federal regulations and mandates, and the best pedagogical practices. In short, the plan provides a school within a school for the purposes of teaching and learning to deepen teachers' content knowledge, and to increase teachers' knowledge of the standards and instructional methods based on student results in a hybrid environment. It was designed to fulfill CSSD's professional development needs to produce a rigorous academic and professional experience for teachers, clerical and classified staff. In addition, all personnel are encouraged to attend seminars and workshops offered by local universities, the San Diego County Office of Education (SDCOE), and professional associations. Staff participates in regular professional development based on the needs of students and organizational outcomes as outlined in the Strategic Plan and the Local Control Accountability Plan. At a holistic level, CSSD's professional development also provides support for all employees to develop skills and techniques crucial to their personal lives as they work toward a healthy work/life balance. The school adheres to the requirement for the annual number of school days dedicated to staff development per Education Code 33126(b)(9).

Measure	2021– 22	2022– 23	2023– 24
Number of school days dedicated to Staff Development and Continuous Improvement	14	14	14
